## AGENDA HIGHLIGHTS

Mr. Steve Harrell, Community Services Director and Chief of Code Enforcement will be our special presenter. He and members of his staff will review significant codes, and answer general questions relative to city codes. Mr. Harrell has significant experience and background in management positions in planning and code enforcement. We welcome this opportunity to learn more about our city codes.

With many changes in City and County numbers and the new Cape Fear Public Utilities Authority, we felt that this issue could provide a handy telephone list, including some emergency numbers.
